Richmond Property Owners Association presents a fun, new, and exciting event called **REGrow RVA** focusing on networking and showcasing the **RPOA** membership.

Join us for tacos, beer, wine, and other refreshments while networking with **RPOA** members, landlords, investors, and industry vendors. There will also be a giveaway for attendees who visit every sponsor.

Please mark this date and feel free to forward this info to your friends, network, or anyone that might want to attend or sponsor **REGrow RVA** this year.

Richmond Property Owners Association promotes the development, education, and sharing of information pertinent to real estate investing and management by providing a forum for free exchange of information between its members and guests.
